

Call for Proposals at the IAU Office of Astronomy for Education

Teacher Training Program (TTP) 2024

The OAE invites and encourages anyone working in astronomy education together with their National Astronomy Education Coordinators (NAECs) to submit proposals for financial support of up to **2000 Euros** per project, to host a teacher training and professional development workshop in 2024.

This dedicated grant requires a collaboration between at least one NAEC team member of a particular country, a local teacher and, where possible, a local astronomer.

For more information on the eligibility criteria, rules, application form and all important dates, please visit our website: <https://astro4edu.org/ttp/>

Application deadline:
15 April 2024

If you have any questions contact us at:
ttp@astro4edu.org
